Statement

A Contemporary Theatre concerns itself with the plays of our time. We believe that our Puget Sound area should have the opportunity to see the plays which are being seen and discussed now in other metropolitan centers around the world. Our play selection is not concerned with whether a play will become great literature, or even whether we like it personally. If theatre reflects the many ideas and attitudes of its time, then it serves an important and dynamic cultural function. This we believe to be the reason for A Contemporary Theatre in the Northwest. As a kind of touchstone for today, we hope each year to revive one older American play.

Eleven O'Clock Theatre

This year, A.C.T. has organized a professional theatre for children, the Eleven O'Clock Theatre. Four plays will be presented at 11:00 a.m. on Wednesdays, the productions will be directed to the interests of children from five to eight years of age, on Thursdays, for children from nine to twelve years of age.

A Contemporary Theatre is fortunate to have this new theatre, in its first season, under the direction of Margaret Faulkes, co-founder and co-director of Theatre Centre, Ltd., in London. Miss Faulkes has produced professional theatre for children for the past fifteen years, plays which have been enjoyed by thousands of British school children. The four plays to be offered by the Eleven O'Clock Theatre were first written and produced by the Theatre Centre.

A.C.T. believes this is an unusual cultural and entertainment opportunity for children this summer. The box office will be happy to accept your ticket order or reservations can be made by phone.
