

It's not me, it's you.

Roses are red, violets are blue. I'm going to put out an AVO on you.

Look over your shoulder, a vampire lurks...

Help me...my soul is trapped in this cookie!

Bloodsuckers unite!

Misfortune favours the brave.

You won't have unexpected good luck-sorry!

You are in for an unpleasant surprise.

Never get into a freshly dug grave.

A vampire's bite is worse than its kiss...unless it is Eric.

Ghouls and goblins walk the streets...beware!

Beware small children knocking on doors!

Your grimace brings joy to those you meet.

A new business venture is on the horizon—if you survive the night!

Zombies are not your friends...

Never underestimate the power of a ghost's touch!

You will live long and enjoy life...as a vampire!

Your conjoined twin misses you...

Keep one eye open while sleeping.

A nightmare will come true. And you will never wake up from it!

Bad luck & misfortune will follow all of your days. Good luck!
