Rules & Regulations

Grad Nite is organized and sponsored by Monte Vista parents and PTSA. It is a “safe and sober” FUN event that provides a substance-free night for the Senior Class to celebrate their graduation. Thank you for your cooperation!

1. Only MVHS 2020 graduates in good-standing may attend the Grad Nite event. Graduates must be pre-registered with all forms completed and be paid in full.
 2. Graduates will check-in at their assigned bus at the MVHS “horseshoe” between 8:30 PM and 8:45 PM. Buses will depart promptly after check-in.
 3. Graduates will be inspected by a professional security team prior to boarding the bus. If alcohol, drugs or illegal substances are found or detected, the graduate will not be allowed to board the bus and a parent/guardian will be notified immediately.
 4. Only graduates who are transported by the designated buses will be allowed entrance to the event. ***Additionally, graduates may NOT leave the event early.***
 5. Graduates will return to MVHS around 3:30 AM to 3:45 AM. For safety reasons, a parent/guardian must pick up their graduate as they are not allowed to drive themselves home.
 6. DO bring photo ID (required for check-in); cell phones are allowed.
 7. DO dress casual and comfortably; bring a sweater/sweatshirt; wear closed-toed shoes.
 8. DO NOT bring containers, drinks or food of any kind. Water and snacks will be provided on the bus.
 9. DO NOT bring backpacks, bags, purses, wallets, keys or other personal items of any kind.
 10. As with other school functions, the use, presence, or possession of alcoholic beverages or any drugs is not acceptable. Smoking or vaping is not permitted. Parents/guardians will be called and required to pick-up their graduate at the USS Hornet in Alameda if these rules are violated OR if their graduate becomes ill or behaves inappropriately.
